# EASTWOOD ST ANDREWS FOOTBALL

Issue #01 - 11th July 2020

## CLUB NEWS

### CLUB DATES

### STAY SAFE

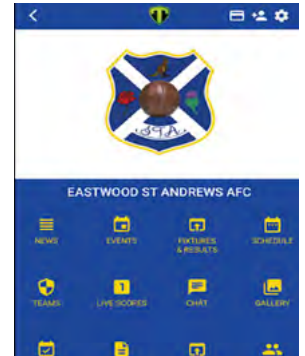

Eastwood St Andrews Football Club would like to welcome all players, members and supporters to the start of Season 2020.

Wow what a rollercoaster of a year so far!  
Bushfires, Floods, Pandemics....

We are playing finally, late start but better than not at all.  
Hopefully we get a full season out of it.

As you might be aware we are using an APP to notify the players/ coaches/managers of what is happening. Please download the app, this way you will know what is on. EVERYONE has been entered into the app you just need to sign in.

1. Download TeamApp from the app store.
2. Log into team app and search for "Eastwood St Andrews AFC".
3. you all have been assigned to the right access group

To help ensure that football can continue to operate and the appropriate safeguards are in place to the reduce the risk of transmission, all players, parents, officials and spectators are required to comply with the following:

- \*Wash and/or sanitize hands before and after attending all training and games.**
- \*Players arrive dressed and ready to train or play**
- \*Players must comply with the 1.5m social distancing rule (except during games)**
- \*Do not shake hands, high five or hug other players, officials, team officials or spectators.**
- \*Teams are not to meet on the ground before matches or shake hands with match officials**
- \*Do not share drink bottles**
- \*Limit the number of spectators that accompany you to training and games**

## **MATCH REPORTS**

### ***U9 Woodettes vs Roselea***

U9 Woodettes win epic season opener 3-1 with a formidable passing game.

With bright sunny skies, not a drop of wind and a perfect pitch conditions, the scene was set for the U9 Woodettes first ever game together. Coach Simon set the team up for success with fitness and soccer skills to match any experienced team and whilst Claire was unable to support the team on the field, she did an amazing job on the sideline cheering the team on.

Bella stepped up to be goalie electing not to wear the gloves and stopped some amazing shots at goal in the first half. Louisa and Ellie T combined with attack and had a few attempts at goal until finally in the 11th min Olivia Tenney came from defence to score the 1st goal. She then went on to score the 2nd and 3rd goals with some suburb support play by Skye.

Woodettes defence in the 2nd half proved too good with Sienna taking on the role of goalie and stopping numerous counter attacks. Supporting in defence was Gabriella, Alyssa and Olivia Thomas and this defensive team were able to keep Rosella to only 1 goal. First gamer Francesca had a fantastic shot at goal in the dying minutes to narrowly miss.

Overall, a great team effort.

### ***U 9 Woodettes vs Normanhurst***

Woodettes display exceptional teamwork in first home game of the season

As the fog lifted over St Andrews home ground, Francesca pulled on the gloves and shirt to be goalie and Coach Simon gave his final instructions for the game against Normanhurst. Ellie and Olivia Tenney had a well-earned rest after the 1st game of the season and enjoyed a weekend away with family but the team could feel their positive vibes from afar!

Normanhurst came at the Woodettes strong and our backline of Ella, Lousia and Claire worked well to support Francesca against strong attack. Bella seemed to be all over the field in the first half with some excellent runs up the field and great support play by Alyssa and Sienna.

The half time pep talk spurred on the team and Olivia Thomas took on the role as goalie, with some outstanding saves on goal and big kicks out to the forward line. Skye did an exceptional job in the backline supporting the goalie and getting the ball out to the forwards. Francesca, Sienna and Bella had some amazing passing combinations and narrowly missed the goals. Normanhurst were too strong on the day and won the game 5-0 but the team enjoyed playing together and had fun.

Thanks to the parents for supporting with the nets this week!
