MATCH REPORTS

U9 Woodettes vs Rovers - 19th July

Amazing attack up the line helps Woodettes to 2-1 win over Ravens

Skye stepped up to be goalie this week and produced some amazing saves in the first half whilst the forwards of Sienna, Louisa, Bella combined for an offensive attack up both sidelines to give the Woodettes a 2-0 lead at half time. Claire was unstoppable with her throw-ins from the left sideline and some great defensive kicks all the way to the forward line!

In the 2nd half Alyssa took a turn at goalie and Tenney sisters - Ellie and Olivia were a formidable force in the backline. Francesca and Olivia Thomas continue to improve week on week with their aggressive footwork and clearances and Ella can be relied upon to send the ball up the sideline to switch quickly from defence to attack. Ravens scored a late goal against the Woodettes, but everyone was happy with a 2-1 win at home.

The parents were grateful for a warm Sunday morning watching the Woodettes continue to learn great teamwork and skill each week. Thanks to the parents for helping to put away the nets!

U15 Woodettes vs All Saints Hunters Hill - 26th July

On a very wet Sunday morning, our under 15 woodettes put in a fantastic performance to win 2-0 against All Saints Hunters Hills.

We knew that in these conditions that it would not be pretty football, but the team really started well dominating the first half with many chances to take the lead. Our defence was very solid, and Midfield took controlled the tempo fantastically keeping the play in the opposing half for pretty much the whole half.

Shots to Regie, Sienna, Sophie, Lauren & Brooke were either saved or just missed.

Then finally after great defending, the ball came out to Lauren in Midfield who turned beautifully, looked up and put a perfect through ball for Brooke to run away and slot passed the keeper just before half time.

In the second half we started a little cold and gave the opposition the upper hand, but as a team we battled and managed to turn this around and got a few chance to take a 2 goal lead. Then finally a quick throw in by Brooke got into the penalty Box and trust Regina got onto it to smash it home.

After that, each and every player really pushed themselves to capacity to bring home the points. With limited subs on the day. Also special mention to Laila who in goals did not have to do much but was very alert when called upon in the cold conditions.

Coach Richie was proud of the commitment shown! Well done woodettes.

Sunday 26 JULY ROUND 4 MATCH REPORT

ST ANDREWS EASTWOOD U/9 WOODETTE'S v THORNLEIGH

Wet weather and grey clouds couldn't dampen the spirits of the Woodette's in their Round 4 match against Thornleigh today. The Woodette's had a smashing first half, marked by the strong defence of Ellie, Ella and Francesca.

Running almost the length of the field to score, Louisa nabbed the first goal of the match, with Bella and Olivia Thomas supporting her all the way.

Olivia Tenney did an incredible job as goalie, blocking many goals from the strong attack of Thornleigh who led 2-1 leading into half time.

Despite the muddy puddles, by the second half, the girls had really found their rhythm, with the forwards (Sienna, Louisa and Olivia Tenney) and their fancy footwork dominating play.

Ella did a top job as goalie with Skye making some amazing blocks in the backs. Sienna scored the second goal for the Woodettes bringing the score to an even keel. Unfortunately, with two minutes to go Thornleigh made a goal making the final score 3-2. This didn't matter though, the girls had a very strong game in trying conditions that was marked by lots of fun and phenomenal team spirit. Well done girls!
